- An informed and collaborative community.

School Motto

“Be the best that you can be!”

Equal Educational Opportunity Policy

All students at Wilson Elementary School shall have the same educational opportunities regardless of race, color, creed, religion, ethnic origin, sex, or disabilities.

School Philosophy

We believe that every child who attends Wilson Elementary School deserves our best professional guidance and individual respect. We feel obligated to challenge each child to his fullest potential, including Special Education and Gifted. We believe, too, that the education of a child is not limited to what he/she experiences in school, but includes all of his/her experiences in life, and the manner and degree to which these affect his/her thinking, attitudes, and behavior. We, therefore, need to collaborate our efforts with the home, community, and social agencies and utilize

their resources for the benefit of the child. Finally, as those who assume a major role in the child's process of education, we believe that our most important consideration is what happens to him/her in the teaching-learning situation in school. Among all factors, which enter into this situation, we consider the parents' and teachers' combined efforts to be the most crucial.

School Goals

- To provide sound basic instruction so that each student's TCAP scores will improve from year to year.
- To provide a positive and happy school climate so that learning will be fun.
- To provide a clean, safe, drug free, healthy school environment.
- To cooperate with the Director of Schools, the Board of Education, and all government agencies to make sure that all accountability requirements are met and all laws and regulations are followed.
- To help students become good moral, ethical and law abiding citizens.
- To work cooperatively with parents to help better meet the needs of our students.
- To provide assistance and support to teachers and school staff.

School Routines and Procedures

School Hours

School begins at 7:45 am and ends at 2:45 pm.

Student Arrival

All children arriving before this time will go to the cafeteria until released to the teachers at 7:30 am. Students may be dropped off at the school, beginning at 7:00 am. ***Students who arrive after 7:45 must be signed in the office by a parent or guardian.***

School Office

The office will be open from 7:00 am to 3:30 pm, Monday through Friday.

Attendance

Every school year is important in the educational process of a student. Tennessee Attendance laws require that students will be present every day in school except for sickness or emergencies. ***When a child is absent, a note must be sent to the teacher within three (3) days explaining the reason for the absence. If a note is not received within three (3) days after the student returns to school, the absence will be marked unexcused.***

For each semester, the school will accept and excuse up to ***five (5)*** notes from the parent or guardian because of sickness with a total of (10) for the year. After the fifth note within a semester, all absences because of sickness will be marked unexcused unless the note is a statement from a doctor or the health department. Teachers will not help students make up work for any unexcused absences.

After a student receives ***five (5)*** unexcused absences, the school shall send home a warning letter. When a student has ***seven (7)*** unexcused absences, the school secretary will notify the Overton County Truancy Board of the student's truancy. The parent or guardian will be contacted by the Attendance Supervisor. The student will be taken to court after ***10 (ten)*** unexcused absences. ***Five (5)*** tardies will be considered one day of unexcused absence. Please help us be #1 in the county for attendance.

Backpacks, Book Bags, and Tote Bags

All backpacks, book bags/tote bags, purses, etc are subject to search by school officials. They may be of any type, solid or mesh.

Bus Ride Rules and Procedures

Rules and regulations for students riding buses are posted in the front of each bus and are to be followed. The following rules are posted on each bus. Please review these with your child.

1. Observe the same conduct as in the classroom.
2. Be courteous, use no profane language.
3. Keep the bus clean.
4. Cooperate with and respect the driver.
5. Do not be destructive. Students will pay all costs for repair of any damage.
6. Stay in your seat.
7. Keep head, hands, and feet inside the bus.
8. Bus driver is authorized to assigned seats.

Also, individual drivers may have his/her own rules. The following procedures are in effect for students who misbehave while riding a school bus. Occasionally, some offenses warrant alternate procedures.

1. **1st Offense**-Student is counseled/warned by bus driver.
2. **2nd Offense**-Student may be assigned a seat on the bus and/or paddled.
3. **3rd Offense**- Student may be suspended from the bus for a set number of days.
4. Any continuing Infraction of the rules may warrant suspension from the bus indefinitely.

If a parent wants a student to ride a different bus or get off at a different bus stop, there are certain procedures that a parent must follow. ***The parent needs to send a note with the student stating which bus the student is to ride and/or which stop the student should get off.*** This note should be brought to the office first thing in the morning to give the office time to verify. The note will be signed by a principal once it is verified. The note will be given to the appropriate bus driver and then the bus driver will return it to the office as soon as practical after completion of the note. (School Board Policy)

Cell Phones

Cell phones have become a disturbance in many schools because of misuse by students who text message during class and photograph test items. The use of cell phones are prohibited in Overton County schools during the school day. On the **first** (1st) offense, a parent/

guardian must come to school and pick up the phone. On the **second** offense, the student will have three (3) days of in-school suspension. On the **third** offense, the student will have five (5) days of in-school suspension. Any further offenses will result in five (5) days of in-school suspension.

Class Parties and Holidays

In order to maximize instructional time, classroom parties are discouraged. Parties will be observed for Halloween, Christmas, and Valentine's Day only.

Discipline Policy

Schools have a special duty to assist students in the development of self-discipline. If this task is to be done effectively, the school and home must cooperate. Together we need to provide students with guidelines and experiences in developing a personal sense of socially acceptable conduct and responsibility. It is most important that parents and educators reinforce the efforts of each other as they work with students in meeting their responsibilities

Wilson Elementary School is a community, and the rules and regulations we establish are our laws. Each student enjoying the rights as a citizen of this school also has a responsibility to our school community to obey the laws.

Discipline slips will be given when a student receives in-school suspension, corporal punishment, or other repeated infractions.
